## FULL TERMS AND CONDITIONS OF HIRE

**INSURANCE** - It is the responsibility of the hirer to insure the equipment against all risks, as they will be held responsible for the safe return and management of all equipment during the hire period. Any damage or loss will be charged for at current list price.

SA Atkin Services cannot accept responsibility for any damage to property or injury to persons caused by the equipment whilst on hire.

**RESPONSIBILITY** - It is the hirer's responsibility to see that the equipment is used and installed by competent persons and that all work is carried out to Health & Safety at Work standards. If SA Atkin Services have installed the equipment the responsibility of the hirer will commence on the handover of the setup/hire checklist signed by the hirer in acceptance that it has been erected or distributed to the expected standards for that location and prevailing weather conditions. Responsibility for all equipment by the hirer will cease on return/removal from site to SA Atkin Services of hire equipment

**PRICES** - All items are hired for weekly or daily period and must be returned on the dates specified, or a further charge could be incurred. All prices are exclusive of VAT at current rate.

**LAMPS FOR LUMINEIRRES** - A proportion of spare lamps are included with all consignments. **ALL** blown lamps must be returned otherwise replacements will be charged in full. Lamps damaged by other means will also be charged in full, as will those not returned.

### PLEASE DO NOT TOUCH LAMPS WITH YOUR BARE HANDS

**ORDERS** - Orders must be confirmed in writing by the person or organisation assuming responsibility for the hired equipment; this should be received by SA Atkin Services at least 48hours before commencement of hire. 24 hours' notice must be given for a cancellation otherwise a 20% of total order cancellation fee will be made.

## **ADVERSE WEATHER.**

During the hire period it is the responsibility of the hirer to monitor weather conditions to reduce the risk to injury to persons and damage to the equipment throughout the hire period. Any damage as a result of adverse weather will be charged to the hirer. If SA Atkin Services have supplied and erected the equipment, an assessment will be made at the erection time based on the forecast conditions. If such conditions are outside the weather minima for safe use SA Atkin Services reserve the right to cancel the hire. If the hirer has concerns over the integrity of the equipment during adverse weather conditions it is the responsibility of the hirer to inform SA Atkin Services of their concerns in a timely fashion so that any required action can be carried out to reduce the risk to damage or injury. If such concerns are not communicated it will be the sole responsibility of the hirer to pay for any incurred costs of damage or claim by any third party. If the hirer has erected the equipment themselves it is their responsibility to ensure that the equipment remains safe and secure throughout the hire period.

**For information:** our recommendation on weather minima is a Maximum Wind Speed Forecast for our 3 x 3 metre and 6 x 3 metre gazebo Marquees is **25mph** prevailing with gusts no more than **30mph**. If the forecast exceeds this all structures must be dismantled and remove from site.

**HIRE PERIOD** - Hire period commences from the time the equipment leaves our premises and terminates only on the return of all hired items in full working order, to the nearest weekly period. Hires available for collection PM and to be returned AM, unless by prior arrangement.

**PAYMENT** - For non-account customers, payment is required on collection or prior to delivery, a deposit will be required along with proof of identity if requested. We reserve the right not to release the goods to persons without I.D. Minimum invoice value on all hires £25.00. Account invoices are to be settled 30 days from date of invoice, credit charges of 5% above base rates per month accumulative become due thereafter.

**AVAILABILITY** - Every effort is made to supply equipment as ordered but we reserve the right to substitute other similar equipment. Faulty equipment must be reported immediately and returned to SA Atkin Services to allow us to repair, replace or refund the hire charge, any request to attend to equipment on site whilst in the care of the hirer will incur a minimum call out fee of £42.50. We do not accept responsibility for any other loss. All equipment is checked prior to release and is tested on a regular basis to comply with the Electricity at Work and Portable Appliance Test regulations where applicable.

**PLUGS & CABLES** - Plugs & sockets must not be removed. A charge of £5.00 + parts + VAT will be made for each refit. Cables are supplied coiled and secured, please return them in the same condition. A charge of £1.00 + VAT will be made for untangling and coiling of each cable.

**DELIVERY** - This can be arranged with prior notice for a reasonable charge.

**OWNERSHIP** - All hire equipment remains the property of SA Atkin Services and must be surrendered on request. The location of the equipment must be notified at the time of the hire and no equipment may be taken from mainland Britain without the written consent of SA Atkin Services. The hirer grants the right of entry to any premises where the hired goods may be to repossess, examine, repair or service the equipment. All items "purchased" remain the property of SA Atkin Services and title will only pass once payment has been received and cleared.
